

WANTED:

Roanoke Electric Cooperative seeks to return refunds to these people

The list on this page contains names of former member-owners of Roanoke Electric Cooperative who moved off the co-op's system or were otherwise disconnected and left unclaimed money. If you know any of these people, please pass the word on to them so they can claim their refund.

Persons wishing to claim a refund will be required to visit the cooperative office in Ahoskie, and verify their identity to substantiate their claim.

In addition, Roanoke Electric continues to retire Capital Credits that accumulate to the estates of deceased members. If an application for a Capital Credits refund has not been submitted to the cooperative on behalf of a deceased member-owner, the proper representative for such deceased member-owners may apply at the cooperative's office and the cooperative will process the application.

For more information, please call 1.800.433.2236.
