

THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

VOL. 31- Sept. 21, 2016

Election 2016

Will you take the pledge?

Voting in rural America declined by 18 percent in the 2012 general election. Roanoke Electric Co-op is calling on its member-owners to help reverse this disturbing trend. We want your vote to be counted in North Carolina's General Election on Nov. 8. Will you please join us and [take this pledge?](#)

On Deadline

Teachers: Last call for Bright Ideas

Calling on all local k-12 teachers to submit their applications for North Carolina's Bright Ideas program. Sept. 23 is the deadline to apply for a grant of up to \$2000 to support innovative classroom projects.

The Breakdown

How is your electric bill calculated?

So what's the meaning behind those curious line items on your monthly electric bill from Roanoke Electric Co-op? Everything you always wanted to know about how your bill is calculated, but never asked, is just [a click away.](#)

REC Solutions

Special offer: A new smart way to save

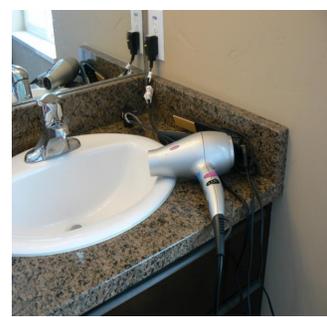

If you have been looking for a way to better manage your home's energy consumption, Roanoke Electric Co-op has good news for you. The co-op is not only offering member-owners free installation of a smart thermostat, but also a monthly credit on your electric bill. [Check out this special offer.](#)

Timely Tip

Are vampires feasting on your kilowatts?

Before heading out in the busy morning rush, you double check and see it is indeed a good hair day. Cool! You also look back to see if you turned off the blow dryer and curling iron. Check! Did you also unplug them? Uh oh... Even when turned off but still plugged in, some of these appliances can drain electricity and cost you money. Make sure you pull the plug on these energy vampires.

CHECK OUT

The many ways you can stay plugged in on important energy issues:
