Today's Energy Tip

How to estimate your home's energy costs

Ever wondered how much energy is being consumed by some of the items in your home? Check out this free Home Energy Calculator to get valuable information about usage and seasonal factors, as well as cost-saving recommendations. [Read more.](#)

REC Solutions

Night lights cast spotlight on savings

Is entering your home in the dark of night a little spooky? Let Roanoke Electric Co-op shine a bright new light on that experience with its money-saving, outdoor lighting program. [Read more.](#)

Bringing about change from spare change

By rounding up their electric bill payments to the next highest dollar, Roanoke Electric Co-op members were able to contribute more than \$8,500 to local nonprofits. Who were the latest recipients of all this goodwill? [Read more](#)

[Survey Season](#)

It's time to tell us what matters most!

Roanoke Electric Co-op is currently conducting a survey of our residential consumer-members. Participants, who are being randomly selected, will help us identify overall satisfaction with co-op services. [Read more.](#)
