

THIS WEEK: Roanoke Connect update, a new scholarship opportunity, a timely tree-planting tip and more

VOL. 40- Feb. 1, 2017

THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

UPDATE

Roanoke Connect advances effort

Roanoke Electric Co-op would like to thank those who participated in our recent survey asking about bringing high-speed internet to the region. As a result of the overwhelmingly positive responses, we are now working with a potential internet service provider to advance our efforts. An important announcement on what's in store for our Roanoke Connect initiative is coming soon.

FOR STUDENTS ONLY

Announcing a new scholarship offer

Every penny counts when it comes to funding a college education. So local high school seniors, seeking to advance their education, are urged to apply for Roanoke Electric Co-op's \$1,000 scholarship. To learn more about the eligibility requirements, [read more.](#)

TODAY'S TIPS

5 easy ways to boost energy efficiency

Are you looking for ways to increase your home's energy efficiency? Roanoke Electric Co-op wants you to consider these low- and no-cost solutions. From using sunlight to warm your home to installing smart thermostats, these small changes can add up to big savings. [Read more.](#)

TAKE TEN

How to lower your next electric bill

Would you like \$10 off your next electric bill? No, that's not a trick question. Roanoke Electric Co-op is extending that offer to those who sign up for its electronic billing and enroll in automatic bank draft to pay their electric bill. To learn more about how you can benefit from this \$10 credit on your bill, [read more.](#)

TODAY'S TIP

About that tree you want to plant..

Last week, there was an outage in the Como area after a tree fell on one of the co-op's power lines. While such incidents are a common cause of power outages throughout the industry, we can all do our part to avoid these power disruptions. You can help by making sure you plant the right tree in the right place. [Read more.](#)
