THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

ON THE LINE

Got power? Thank a lineman today!

When the power goes out, our courageous linemen do too, regardless of the time of day or the potential dangers that may await them! Today, National Lineman Appreciation Day, Roanoke Electric Co-op asks you to use this occasion to "Thank A Lineman." Let them know we appreciate them for all they do to keep the power flowing. [Read more.](#)

LET IT SHINE!

Deadline approaches for 'bright ideas'

Roanoke Electric Co-op is making it possible for teachers with bright ideas to shine light on new learning opportunities for local youth. And for those educators who apply early to reap the benefits of the Bright Ideas program, they will be entered into a special drawing for an added bonus this year. [Check it out.](#)

IT'S ACADEMIC

Youth Symposium: A call for candidates

Do you know a special middle or high school student, who could benefit from a challenging and motivating learning experience? The upcoming Youth Symposium offers an unique opportunity for local youth to explore the fields of science, technology, engineering, agriculture, and math. Deadline to submit candidates: May 5, 2017. [Read more.](#)

MARK YOUR CALENDAR

Coming soon: Straight Talk in Gates County

Gates County High School is the place to be for the Roanoke Electric Co-op's next Straight Talk forum on May 11th, beginning at 6 p.m. In addition to an open dialogue about co-op programs and services, the event will also offer member-owners the opportunity to pre-register for high speed internet service. [Read more.](#)

TODAY'S TIP

Is money flowing out of your windows?

With outdoor temperatures on the rise, are you looking for an inexpensive, easy way to boost the energy efficiency of your home? To keep the heat at bay, caulking or weather stripping around windows and doors to seal air leaks can save you both energy and money.
