

Roanoke Electric Cooperative

A Touchstone Energy® Cooperative 

THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

VOL. 26- July 14 2016

What & Why

Why all the tree trimming and spraying?

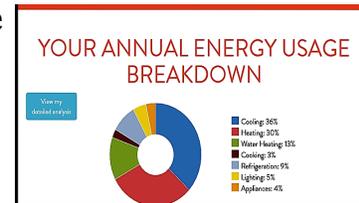

You may have noticed recently some trimming and spraying around Roanoke Electric Co-op's 2,000 miles of line. It's all part of a three-year plan that's going to go a long way to ensuring you receive reliable and safe electric service in the future. [Read](#)

REC Solutions

This free calculator adds up ways to save

How would you like a quick estimate of your home's energy use? Better yet, how would you like to get that information along with some recommendations that could help you save on energy cost? This free calculator will do just that. [Check it out.](#)

Money Matters

A shopping bargain too good to pass up

Imagine this: You go online shopping to your hearts content and somehow, by doing so, you get to save money on your electric bill. Sound too good to be true? Not so for Roanoke Electric Co-op member-owners, who are reaping the rewards of this popular buying experience. To see how it works, [read more.](#)

Safety Tip

What you should not do this summer

With summer comes the temptation for many of us to venture out and enjoy the great outdoors. But before you satisfy that curious, adventurous urge to let's say climb a tree or fly a toy drone, Roanoke Electric Co-op wants you to read this important [safety message](#).

Shocking Statistic

Apply these tips, before your next dip

When it comes to safe summer fun, electricity and water do not mix. Electric shock in and around pools have resulted in 60 deaths in recent years. To ensure that you and your loved ones are safe, Roanoke Electric Co-op wants you avoid these safety hazards. [Read more.](#)
