### *Legal Assistance Costs Reimbursement Program (LACR)*

The Sustainable Forestry and African American Land Retention Project has implemented a program to provide financial assistance to forestry landowners who are in need of legal work concerning their land. The Legal Assistance Costs Reimbursement program or LACR will reimburse pre-approved forestry landowners up to designated amounts for costs paid for legal services to address land ownership issues, creation of legal structures or methods to manage forestry land, and estate plans to provide for orderly succession or transfer of property upon death. **Landowners who are interested and want to learn more about the Legal Assistance Costs Reimbursement program may contact: Alfred Kwasikpui, Consultant Grant Attorney, by mail at: PO Box 148, Rich Square, NC 27869, or by e-mail at: [akwasikpui@roanokeelectric.com](mailto:akwasikpui@roanokeelectric.com).**
